DETAILED ACTION

Drawings

The drawings were received on 8/20/04. These drawings are not acceptable for examination because of the dark quality of the figures and the inability to distinguish specific elements within the structure.

The informal drawings filed 8/20/04 are not of sufficient quality to permit examination. Accordingly, replacement drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to this Office action. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action.

Applicant is given a TWO MONTH time period to submit new drawings in compliance with 37 CFR 1.81. Extensions of time may be obtained under the provisions of 37 CFR 1.136(a). Failure to timely submit replacement drawing sheets will result in ABANDONMENT of the application.

Claim Objections

Claims 4-14 are objected to under 37 CFR 1.75(c) as being in improper form because a multiple dependent claim must be in the alternative form, i.e. "claim a or b", "any one of claims a-b", any one of the preceding claims". See MPEP § 608.01(n). Accordingly, the claims have not been further treated on the merits.
